The Boise Public Schools Education Foundation exists for one reason -

TO HELP YOUNG MINDS OPEN THE DOOR TO LEARNING OPPORTUNITIES.

We help children learn by working directly with teachers, funding grant requests for specific classroom needs, NOT supported by tax dollars.

Over the past 23 years, we've provided funds for programs that **TOUCHED THE LIVES OF NEARLY A QUARTER OF A MILLION CHILDREN!**

In the 2009-2010 school year, we're **HELPING MORE THAN 15,672 CHILDREN** with our financial support for programs such as:

- **Summer School Tuition** for 168 at-risk students.
- **The Art Gallery on Wheels** will travel to EVERY elementary school in the Boise School District allowing students to experience a showcase of featured art work and curriculum.
- **The Lifetime Movers Program** creates a structured physical-activity program for students during lunch recess at 17 Boise School District schools to promote a lifetime of fun and health with daily physical activity.

You can help keep the sky the limit for children of the Boise School District today by supporting the Boise Public Schools Education Foundation!
