

# GRANT AWARD EVALUATION FORM

(Revised 6/22/06)

Evaluations are due no later than the last day of the traditional/optional school calendars, whichever is appropriate for the Program Director's contract.

The individuals and/or businesses, which have generously supported the Foundation's Grant Award Program with their dollars, are requesting recipients validate the outcome of their programs by completing an evaluation. Funded programs are intended to encourage teachers and District staff to explore educationally sound ideas in the classroom to stimulate students' learning.
